# Leader Training Opportunity—Online Training Module Alternative

## ~~April 29~~

Is the online Leader Training requirement keeping you from re-enrolling as a 4-H Leader?

As you know, 4-H Leaders in Boulder County must complete mandatory leader training online modules to become a certified leader within the county.

It has come to our attention that some people have not completed their 4-H Leader Training online modules because of limited access to internet or other reasons. Because of this, we have planned an in-person training class to be conducted at the Exhibit Building on the Fairgrounds on **Monday, April 29th at 5:00pm -- during the MQA training.**
RSVP by Monday, April 22nd by 4:30pm.

# 4-H March Recap

## CARNIVAL SUCCESS –
### THANKS TO HELPERS AND DONORS

Thank you so much to all the Boulder County 4-H Clubs, Leaders, Parents, members, volunteers and Extension Office staff who gave of their time and effort to make the 2019 Mardi Gras Carnival such a smashing success! We would like to thank you for the hard work in getting the event advertised this year. Because of all our marketing efforts, we had a larger crowd and a steady stream of attendees than in previous years.

We would like to say a special thank you to the Silver Spurs 4-H Club for taking over the Silent Auction. It ran very smoothly this year and very few hiccups were encountered. We'd also like to say a VERY SPECIAL thank you to Janet Irvine for once again helping Audra with the data entry for Silent Auction. Her expertise in this area makes everything come together in a seamless fashion. Janet and Audra, we couldn't do this without your help!

Last, but certainly not least, we would like to thank all of our Silent Auction donors and the club members and leaders who helped in securing those. Special thanks to these Silent Auction Donors:

# Boulder Valley Conservation District Scholarship Award Program

## Application Due March 31, 2019

The Boulder Valley Conservation District is pleased to announce that they will offer one $500 scholarship to a Boulder Valley High School Senior pursuing a degree in an Agricultural related field. Examples of related fields include but are not limited to: Agri Business, research with various seed companies, writing for an agricultural publication, veterinarian science, or an engineering field which will benefit agriculture.

Applications will be accepted from students already enrolled in a college but will be considered only after any high school student applicants. The scholarship award will be paid directly to the College, University, Jr. College, or Trade School within Colorado or Wyoming.

The scholarship recipient will be chosen by the Board of Supervisors of the Boulder Valley Conservation District at their April Business Meeting.

The scholarship winner will be selected on the basis of quality of an essay, leadership qualities, high school activities, academic record, character, and sincerity.

## ELIGIBILITY AND APPLICATION REQUIREMENTS

1. Applicant must have a home address within the Boulder Valley Conservation District boundaries. South of Highway 52 and north of 120th Avenue.
2. A current transcript must accompany the application.
3. Two letters of recommendation must accompany the application. One letter must be from a school faculty member who has had the applicant as a student.
4. Applications for the scholarship must be postmarked no later than March 31.
5. A 250 - 500 word essay on soil and water conservation must accompany the application.
6. The scholarship winner will be announced after the April Board meeting
7. The recipient must notify the Boulder Valley CD office of acceptance or refusal of the scholarship, in writing, within 30 days or the scholarship will be passed on to an alternate.

# Longmont Conservation District Scholarship Award Program

## Application Due March 31, 2019

The Longmont Conservation District is pleased to announce that they will offer a $2,000 scholarship to at least two Longmont area high school Seniors pursuing a degree in a field which will benefit agriculture.

The scholarship will be paid over two years at $1,000 per year directly to the College, University, Jr. College, or Trade School. Applicants who will be attending out of state colleges will be considered after those applicants who will be attending schools within the state of Colorado.

The Board of Supervisors of the Longmont Conservation District will review the applications and award the scholarships at their April meeting. Scholarship winners will be selected on the basis of quality of an essay, leadership qualities, high school activities, academic record, character, and sincerity.

## ELIGIBILITY AND APPLICATION REQUIREMENTS

1. Applicant must be a high school senior. A college student that is continuing their education in a field that will benefit agriculture may submit an application. However, preference will be given to high school seniors.
2. Applicant must have a home address within the Longmont Conservation District boundaries, and/or attend a school within the St. Vrain Valley School District.
3. A high school transcript must accompany the application.
4. Two letters of recommendation must accompany the application. One letter must be from a school faculty member who has had the applicant as a student.
5. Applications for the scholarship must be postmarked no later than March 31.
6. A 250 - 500 word essay on soil and water conservation must accompany the application.
7. The scholarship winner will be announced after the April Board meeting
8. The recipient must notify the Longmont CD office of acceptance or refusal of the scholarship, in writing, within 30 days or the scholarship will be passed on to an alternate.

## 2019 Colorado County Clerks Association Scholarship

The Colorado County Clerks Association will grant 3 regional one-time awards of $1,000 and 2 regional awards for $500 to seniors graduating from Colorado high schools to further their education at any university, college, junior college or technical institution.

Selection will be based on the following:

- Completed application
- 3.25 GPA Minimum
- Participation in extracurricular, community and service activities
- Financial need/hardship

Financial aid awarded by the association will be remitted to the institution of attendance and will be credited to the student's account.

The deadline to apply is Friday, March 29, 2019. See application for additional details on timeline and award/selection process. Download the application here.

Questions? Email or call Mircalla Wozniak, mwozniak@bouldercounty.org or 303.413.7766.

## Community Force Scholarships

Community Force scholarship applications are now open. We offer several scholarships for everything from going to college to going to vocation/technical school. While most of the scholarships are for students graduating this year from a St. Vrain Valley School District high school, we also have a scholarship for women who are continuing their education at college and who already have at least 30 credit hours of college credit. To see all the opportunities and to fill out an application, please go the website:

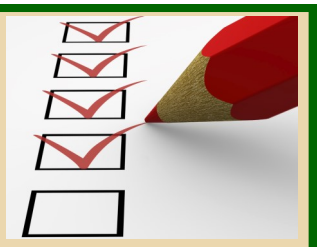
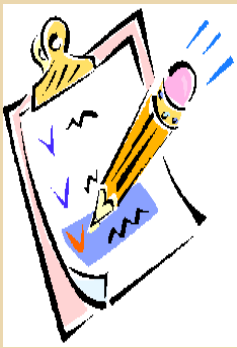
**Cake Decorating- Saturday in July,** - Pohlmann house - Bring a cake and all your frosting and decorations. You will have a set amount of time, depending on your level, to decorate a cake live in front of a judge. We will follow the guidelines provided from Colorado 4-H for the contest. **Deadline TBD**.

### Add/Drop deadline is April 26, 2019



The 4HOnline system will continue to allow members or leaders to change the projects listed in their enrollment. You may still add and/or drop projects through April 26th.There are no paper forms. If you need help making changes, please email Audra aharders@bouldercounty.org.

**The Last Friday of April will be the last day to make any changes to your project list.**



**Please check your enrollment and be certain you have intended to participate in all the projects listed.**

Remember, projects roll over from year to year. For example, you may have taken a Beef project last year. The system automatically rolls that project over to the current year, assuming you will be continuing. It is very important to verify the projects on your project list, you will be responsible for their completion. If they are not completed for any reason, it will count against your club and, in some case, exclude you from participating in that project the following year.

If there are projects you are not participating in, please go through and delete these projects by April 26th. If you have any questions, please contact the Extension office.

## Teens can apply for summer jobs with the Boulder County Youth Corps

Boulder County residents ages 14-17 can now apply online for summer jobs with the Youth Corps. **The deadline to submit an application is Wednesday, April 3.**

The Youth Corps offers one of the best first job opportunities available in Boulder County. Teens will be hired to work 30 hours a week, Monday through Thursday, from June 10 to July 31 on a variety of community service projects such as trail construction and maintenance, historic preservation, forest thinning, construction and repair of fencing, landscaping and removal of noxious weeds.

Corpsmembers will earn a starting hourly wage of $11.10, with the possibility of earning a $100 bonus at the end of the program based on merit and strong attendance.

"*This summer was amazing. I got to meet new people and help out the community,"* one of last year's Corpsmembers said of the experience.

For more information or to apply online, visit **www.bouldercounty.org/youthcorps.**

## *Enrollment*

### Enrollment deadlines:

In order to encourage re-enrollment earlier in the year, for insurance and coverage protection of code of conduct, etc, we will implement the following deadline dates:

$20.00 late fee for re-enrollments of returning members from **January 11th (Second Friday in January) to April 26h (Last Friday in April)**.

Deadline for participating in the Boulder County Fair for all members is the **Last Friday in April** (same day as add/drop deadline.)

**Shooting Sports: $20**

Provide $20.00 fee and t-shirts size to Organizational Leader (no additional forms this year). Please continue to monitor the Shooting Sports program for State issued changes.

**Dog Members: $20**

We have created a formal **Dog Advisory Council** for Boulder County 4-H dog members. The council will be paying for rental of the buildings and planning of the countywide dog program. In order to offset the costs of these fees, each 4-H Dog member will pay a $20.00 fee to their Organizational Leader along with their 4-H Enrollments annually.

**Organizational leaders:** Please complete the enrollment summary sheet for your club and turn into the office with your club's check for enrollment and noting any online payment made for enrollment. Clubs will be assessed a $100 late fee for failure to turn in completed paperwork and fees to the 4-H Office by the respective deadlines. If your members have enrolled and paid and you as the leader miss the deadline, the fee will apply. If some of your members are late, please do not delay your entire club's enrollment for the late members. We appreciate you communicating with the office about your club's enrollment scenarios.

### NEW THIS YEAR: Curriculum orders

The 4-H project manuals and curriculum will be ordered through your 4-H Club Leader this year. Once you have enrolled, please work with your leader to order the manuals you would like to purchase for your projects. These manuals will vary in cost from $3-$20 and some are required and others are not. Check out the Project exhibit requirements from fair to know the items needed. Club leaders will collect orders and your payment for the manuals and submit them to our office for the orders. Curriculum will take 3-4 weeks to arrive with your club leader for distribution. This is a new process this year, so please be patient as we all work through the learning curve.

# 4-H Leader Enrollment

## *Leader Re-Enrollment*

CSU Extension is implementing new policies and procedures for volunteers. This will be part of the re-enrollment as well as the new leader enrollment process for the 2018-2019 4-H year. All leaders who have not completed the newly revised Leader Training modules will have to complete them.

***Background checks are completed for all new leaders and can be periodically and randomly conducted on veteran leaders.***

## Blazing Saddles Community Service Partnership with Balfour Memory Care

By Nora Ditzel

On St. Patty's Day Blazing Saddles went to the Memory Care unit at Balfour to decorate bags for Meals on Wheels. It was fun to hear all the stories that the community members told us. Some of us drew on the bags by ourselves and others decided to do group drawings. Everyone had fun and we were surprised to make new friends. We're going to visit Balfour every month.

Here's a picture of our finished bags.

## Cake Decorating Workshop

**April 17th 6:30**

Cake decorating workshops are open to anyone enrolled or just checking out the Cake Decorating Projects. Workshops will be held monthly, on the third Wednesdays through June, allowing every member the opportunity to complete their 3-4 required cakes by county fair time. Each workshop allows you to practice techniques on your own cake. Help, along with ideas, will be available at every workshop. Please watch upcoming newsletter Gazettes for possible specialty classes or other needs for the month.

**Everyone (all units) are to bring; a cake/cupcakes; cake board; foil; wax paper; scissors; scotch tape; a frosting tool; butter crème frosting or frosting allowed by unit. Depending on your unit requirements, also bring these items that will help you enhance your selected theme: edible items, bags/couplers; specific tips; nails; fondant etc.**

Workshops are intended for you to learn some fundamentals, keep up on unit requirements, get some new ideas, meet new friends, or just get acquainted, and to have fun.

Upcoming workshops are April 17th, May 15th, and June 19th
Workshops are held at the Pohlmann's home, 12010 Jasper Road, west of Erie, at 6:30 PM.

## April Updates

### 2019 SHOWMANSHIP QUESTIONS

In 4-H Dog Showmanship, all participants need to answer written questions related to dog anatomy, diseases, nutrition, breed classification or other topics. Correctly answering these written questions will add up to 10 points to your Showmanship score. But don't stress – the 2019 STUDY GUIDES are now available on the Dog Project web page! Different study guides have been developed for each 4-H age group (Junior, Intermediate and Senior). And not only do the study guides include all the correct answers, but also the exact page references in your Dog Resource Handbook! Happy studying!

**CSU VETERINARY TEACHING HOSPITAL OPEN HOUSE, FT. COLLINS**

The Annual Open House at CSU's Veterinary Hospital will be held Saturday, April 13th, 9 am-5 pm. This event is Free and open to the public, but no pets are allowed. At the Open House, you will find tours led by DVM students, informational lectures and demonstrations, as well as tours of the hospital, student exhibits, a mock surgery for children, a petting zoo, and CAM the Ram! You can find the schedule of events and more info on the **Hospital's web page.**

**ARAPAHOE COUNTY 4-H DOG FUN MATCH**

Arapahoe County is holding their annual Spring Fling Fun Match for 4-H Dogs on Saturday April 6th at the Arapahoe County Fairgrounds in Aurora. See attached flyer for details.

## 4-H Dog Training

Our 2019 County-wide 4-H Dog Training will kick into gear in April with introductions to Rally and Showmanship. The complete training schedule is listed in this newsletter and can also be found on the Boulder County 4-H Dog web page. All classes will be held in Barn A on the Fairgrounds. Please remember to bring with you to training:

A copy of your dog's vaccination record showing current for Rabies and Parvo **(REQUIRED!!)**
A chair for parent to sit
A 6-foot leash and buckle or slip collar.
Water and treats for your dog.
A crate (or adult) to hold your dog when needed.
Your 4-H Dog Project Record Book

***For safety reasons, owners must provide proof of current vaccinations in order to participate in Boulder County dog training.***

# 4x4 Dog Club by Jessica Checkas, Club Reporter

Happy spring! This year's 4x4 Dog Club booth at the Mardi Gras Carnival, where we ran our usual doggy ball toss and pop stand, was very successful. This year we seemed to have better attendance overall.

This month's dog is the Border Collie. They're a hyper, but obedient, member of the herding group. These dogs have multi-layered, shedding coats that come in a variety of colors and are often known for herding children as well as livestock. Border Collies do well in agility, disk sports, and of course, herding. These dogs tend to be an all-around fun family pet. They have a lot of energy and need regular exercise.

## 4-H Beef Members and Leaders

Check out these few important updates:

- Everyone needs to get a premise ID for the property you are keeping your animal on- check with your land owner first to see if they have one. The call this number 303-869-9130 to get it through the Colorado Department of Agriculture.
- Breeding Beef members, please complete the Animal ID's in 4-H Online. The forms will be posted at the following website soon, however they are also attached. Look for 2018-2019 forms. https://boulder.extension.colostate.edu/4h/animalid/
- Attached please find the forwarded information about the youth beef industry leadership program for 12-18 year olds.
- Plan to attend MQA on April 29th if you are required to attend. (First year members and if you turned 14 this last year).

### Animal Care and Housing Forms

Forms are now completed in 4-H Online; members must only submit a hard copy of the Animal Care and Housing form by the designated ownership date **ONLY if they WILL NOT be housing the animals at the address listed in 4-H online.** The hard copy forms must have all appropriate signatures. If at any point in the year a member houses their animals at a different address than listed in their 4-H online profile, they must submit another signed animal care and housing form to the Extension Office. Animal care and housing forms can be found at: Boulder County 4-H Enrollment Page

# 4HOnline Animal Identification for Non-Market Animals

**In order to declare your project animals in 4-H, all** non-market animals (Dairy Cattle, Breeding Beef, Dog, Horse, Llama/Alpaca, Dairy Goats, Breeding Goats, Utility Goats, Fiber Goats, Breeding Sheep, Cavy) must be identified by the last Friday in April of the current year using the species Animal Identification Form and uploaded on 4-HOnline enrollment. This form must be on file through 4HONLINE by the posted deadlines each year (last Friday in April). By submitting this form, the member is declaring they have ownership of the animal and are providing primary care of their project or is an official Lease-An-Animal 4-H project. (Excludes Rabbit, Poultry)

**All members must complete an Animal ID on 4HOnline for each non-market animal in their project. Paper IDs will NOT be accepted.** Animal IDs must also include uploading pictures, brand inspections and/or vet records if applicable.
**If you have changes** after you have verified your animal ID or need help uploading documents, contact Audra at the Extension Office (303) 678-6238 or aharders@bouldercounty.org.
**Members showing at the Boulder County Fair or Colorado State Fair are only eligible to show the animals they have ID completely (including required pictures/records) on 4HOnline by the deadline. Market animals and poultry and rabbits are the only ones exempt from the** 4HOnline **identification.**

Many 4-Hers wonder whether they should ID all the animals they own or just concentrate on one animal they plan to show. This is a personal preference for each individual 4-Her. Usually, 4-Hers are only working with one animal at a time, others have more animals they own, but don't necessarily plan to show. Either way, **all animals that have been ID as a project animal are required to be in your Project record book**. Leaders and record book judges will check this before fair and when project books are turned. If all the animals aren't included, the 4-Her will be ineligible for fair and/or receive an incomplete on their records.

***4-H Pro Tips: PRINT YOUR ANIMAL IDs ONCE UPLOADED into 4HOnline and include these sheets in your record books.***

Deadline to participate in Fair: **Last Friday in April(April 26, 2019)** (unless animals born after this)

The forms for identifying your animals can be found **on the Boulder County 4-H website: https://boulder.extension.colostate.edu/4h/animalid/**

A few tips and tricks:

1. Read the requirements for each animal and the needed documents. You will most likely need pictures of you with your animal showing any distinguishing marks of the animal.
2. You may need proof of ownership (bill of sale or brand papers)
3. When filling out the online form, the titles of the areas in BOLD: are required. Other areas are not required to be entered manually. Most data will be completed on the forms.
4. Upload the Animal Identification form under the "COUNTY USE FORM"
5. Upload the Animal Identification form under EACH animal. (it can have multiple animals on the form.
6. Cavies go under "Small Pet"
7. Dairy Cattle- Upload the Registration Papers or the Brand Release form for proof of ownership. These are uploaded under "Dairy Cows Registration Papers."
8. If animals are born after the Last Friday in April deadline, you will need to follow direction on form and turn in HARD COPIES of the forms on those animals to the Extension office. No other hard copies will be accepted.

## BOULDER COUNTY

## MQA/ANIMAL CARE TRAINING DATE

### MONDAY, APRIL 29th

### 4 – 6 pm in the Exhibit Building, Boulder County Fairgrounds

All first year or first year Senior(14yrs or older) participants in a livestock project (including all market, breeding, dairy, poultry, rabbit and guinea pig, excludes dog and horse) are required to attend an MQA training to be eligible to show or sell at the 2019 Boulder County Fair and Colorado State Fair. This will be the only training offered in Boulder County this year. There will be other trainings across the state.

You may hear the term "YQCA" come out in the future. The update on this is that Colorado 4-H is working towards the inclusion of a new program call "Youth Quality Care of Animals". Our goals were to have this ready for the 2019 year; however it is on hold at this time. The only option is if a member is unable to attend a MQA training in person, they could take the online YQCA program at a cost and have them certified for ONE YEAR. The following year, the **youth will have to take another training** as either MQA or YQCA.

Colorado will still utilize the MQA/PQA program as we have in the past for 2019 4-H year. The PQA program through the national pork board will be available through June 2019.

Note: Some National livestock shows may require an addition of the YQCA on top of the MQA/PQA program. It is the youth's responsibility to know what the shows require.

To compete at the Boulder County Fair, youth need to take the MQA training once as a first year member, and once as a 14 year old member or older.

# Colorado 4-H Meat Quality Assurance Program Update 2019

4-H members enrolling in any market and/or breeding livestock projects for the first time regardless of age, must attend a Colorado 4-H Meat Quality Assurance *(MQA)* program. A Colorado 4-H Meat Quality Assurance (*MQA*) program is considered to be either a training conducted using a Colorado 4-H MQA trailer or the Colorado 4-H MQA Power Point. All Colorado 4-H MQA programs must be conducted by the County 4-H Agent or approved designee.

The Colorado 4-H Meat Quality Assurance (MQA) program is for 4-H members enrolled in market and/or breeding livestock projects. Members must attend an official Colorado 4-H Meat Quality Assurance (MQA) program twice during the course of their 4-H career, once during their first year of 4-H and once upon becoming a senior age member. It is required that the Colorado 4-H MQA training be completed at least 45 days prior to exhibition of animals. Counties themselves may implement additional requirements at their own discretion.

Additional quality assurance certifications may be required by fairs, shows and sales. It is the sole responsibility of each individual exhibitor to review fair, show and sale rules for events they plan to participate in or attend, and to comply with any additional certifications at their own expense.

**For Example:** Certifications such as the Youth for the Quality Care of Animals (YQCA) may be required by fairs, shows or sales. In such a situation, The Colorado 4-H MQA certification is not a substitute for any fair, show or sale's additional certification requirement.

Youth needing to take the YQCA training may do so online or in person at their own expense. For more information visit the YQCA website at the following link http://yqca.org/

For the Counties that have Fairs / Sale Committees that sell livestock to packers, you will want to contact your packer very soon to verify what type of certification they will require. Many of the large packers are requiring YQCA and will not accept the Colorado 4-H MQA program certification.

For face to face YQCA trainings instructors may require additional payment to help with travel expenses.

## AG YOUTH LOAN PROGRAM

American Ag Credit, would like to introduce their Ag Youth Loan program to market and dairy animal project 4-H members. American Ag Credit offers a no interest loan to 4-H members for a livestock purchase. This loan is then paid off upon selling the animal at fair. For more information on the program go to agloan.com or call Steve at 1-800-799-6545.

## HAVE YOU FOUND YOUR MARKET LAMB?

Are you looking for a lamb this year? Below are some local breeders selling market lambs.

- Teri Jo Laber, 720-357-7540 – Southdown market lambs or Southdown cross lambs
- Ronda Weber, 970-397-4932 – Black face cross and Southdown lambs
- Richard Miller, 303-995-0302– Black face cross and Southdown lambs
- Ryan Boldt, ryan.boldt52@gmail.com or c) 303-847-2896. Will be selling starting 3/6/2019-Black face cross lambs
- Staci Anderson, stacija12@gmail.com. Andersen's will be having a sale/BBQ for the 4-H kids on April 13th from 10-2pm.

**Good luck and see you at tag-in!**

## SAVE THE DATE
## BREEDING SHEEP ID FORM – DUE BY APRIL 26TH

All breeding sheep project members must identify their project animals (nonmarket) through the **Breeding Sheep ID Form** and uploading in 4hOnline.

Premise ID is required on this form.

The ID form does **not replace the fair online entry** but is in addition to the fair entry. I will be comparing the submitted ID form with the entry to verify tag#, breed and age.

Please note-Ewe lambs in the market class cannot be shown in the breeding classes. They can be dual enrolled/identified in May, however when it comes to fair entry time, the member must select if the animal will be a breeding animal or a market animal.

## SAVE THE DATE
## MARKET LAMB TAG IN & RETINAL SCAN

### Tag-in and retinal scan will be on Monday, May 6th starting at 5:00 p.m. in Barn C.

- A map will be published showing traffic direction entering on the west side, exiting on East side. Sheep exhibitors will be tagged/retinal scanned on the North side of barn (goats on south side).
- Fill out the TAG-IN FORM
- Premise ID is required – You can get one by calling 303-869-9130
- There is a $3 tag fee per head
- If you are going to State Fair, additional paperwork is required at time of tag in. You can pick up the form at tag-in.
- You must be enrolled in the 4-H Market Lamb Project.
- Ewe lambs must have scrapie tag
- Male lambs must be banded or castrated (wethers) BEFORE tag-in or they are not eligible

## WHAT'S HAPPENING?

The 2018 BCF sheep department fair page updates have been completed & submitted for review and approval. Look for the announcement from the Extension office when published and review these pages for changes.

Sheep will be checking in on TUESDAY, AUGUST 6th! See the fair schedule and Sheep dept / fairbook for all changes to the class day or time. Let me know if you have any questions.

**The best method to be prepared for the fair is to stay inform. At this time start reading all the rules associated with the fair, livestock sale, etc.**

## BARN A – SHEEP PEN PLANNING

FYI-There is a lot of coordination that goes into pen assignments. This year there are major changes since some of the goat depts moved to the early start of the fair. Extra pens are available for tack, etc.

Grouping 4-H clubs together.

I plan to post to the BCF Sheep website a pen assignment request for you to complete and send back.

Coordinating breeding sheep/market sheep. I try to separate pen/pen assignments based on bedding used (straw). This is subject to availability of pens and not always successful so be prepared to have a barrier to keep the straw away from your market lambs.

With your response I hope to achieve a more effective and time saving process for this task.

When completed I will send the pen assignments out by email and they will also be posted on the sheep bulletin board

## RE-ESTABLISHING GRAND CHAMPION & SURPREME BREED DESIGNATED CHAMPION PENS

With the changes to livestock schedule I can now re-establish the "champions" pens near the show ring w/the champion banners!

# OPPORTUNITIES TO BUILD YOUR COMMUNITY SERVICE AT THE FAIR!

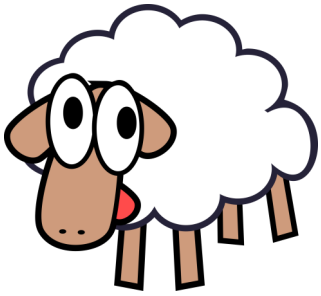
There are several activities in the sheep barn for 4-H/FFA exhibitors to add to your community service at a county level. Examples are: help to prepare the show ring (Tuesday), Pee Wee Showmanship (Friday), cleaning the show ring (Sunday before check out), helping to load the sale animals (Sat or Sun), setting for the Livestock Sale and taking down tables/chair during the sale (Saturday). Your help with these activities is a win/win…..great community service at a county level for you…….for me….I really need your help to help these activities run smoothly.

# SECURITY-Parent of exhibitors

Aaron Richmond (Mkt/Breeding Goat Superintendent) and I are coordinating the days we need to close the BARN A. I will close on Wed and Fri. We both will close on Sat. If you would like to help with closing the barn at 9:30 p.m. please let me know. Bring your exhibitor with you and they can get community service at the county level.

# ULTRA-SOUND/CARCASS CONTEST CHANGES

There is a change to this contest. We will use Cup Lab to complete the ultra-sound testing. This will increase the fee. I am looking for business sponsors to help support this class. Example: if there are 40 exhibitors each with 1 lamb in the class, if business donated $200, I will apply this donation to support the increase fee. Parents, if you have any contacts for sponsors, please contact me.



# YOUTUBE LEARING!

Have you searched YouTube? It's interesting the many sites there are reviewing many subjects and different county fair. Many of these are prepared by PurinaMills. Take a look! It's great to get other methods or just confirm what you are already doing.

- How to buy sheep: looking for the next great one
- Show Supplies You need for a lamb project
- Washing sheep and Drying them
- Shearing and fitting your sheep for the show ring
- How to teach show lambs to brace
- How to show sheep
- How to train show lambs
- Review a 4-H market lamb competition at different shows
- Key in County fair sheep shows

## 2019 Poultry Workshops

**April 6th** 10am-12pm at LuLu Acres. We will go over the different Breeds, Parts, and Showmanship. We will also be teaching an intro to the Agility Course.

**May 18th** 10am-12pm at Boulder County Fairgrounds Barn C. Poultry ID Clinic. There will be assistance in identifying your birds, getting legbands, and registering for fair, which are all required to show at fair. We will also have three rotating booths running consecutively teaching showmanship, prepping for show, and Fair 101. The Agility Course will also be set up for those who want to practice. This is really a one stop shop for all information needed for the program and is **highly recommended** for all new members.

**June 12th** 6-8pm at LuLu Acres. We will dive more into the topics pertaining to Market and Egg Productions. We will have discussions on quality of meat in market poultry and discuss how to know if you are getting quality eggs. No chickens will be harmed in this class. □ Afterwards we will have showmanship practice and agility course practice.

**July 14th** 2-4pm at LuLu Acres. We will go over Show Prep, Fair 101, and have another Showmanship and Agility Practice. If you have any questions about your poultry record books, we will go over your questions at that time.

If you have any questions, please feel free to contact the Boulder County Poultry Superintendent.

## Dairy Cattle Project

### Try out the Dairy Heifer Replacement Program (DHRP)

You can learn about dairy cattle without having to actually deal with having to milk the cow. Boulder County 4-H gives you the opportunity to be able to raise or buy a dairy replacement heifer (DRH) that you can sell at the county fair. It's simple, just look over the following rules, and apply. **Click Here for complete information.** Your animal must be nominated by May 1st and she needs to meet all requirements to sell at the Boulder County Market Sale. For any further questions or dairies willing to work with members call: Tina Pohlmann @ (303) 828-3789.

# Cavy News

On March 17, 2019 the Cavy (Guinea Pig) project had their first cavy workshop. There was a good turnout, with many of the people enrolled in the project coming to learn more about their cavies and how to show them. We met each other's cavies and talked a little about our goals for the project this year. Then we started to learn how to properly show guinea pigs--first from a few videos, and then from trying it out ourselves! There will be another Cavy workshop on April 13th from 1-3pm. It will be in the Clover building at the Boulder County Fairgrounds. Everyone is welcome to come and learn about cavies and the cavy project; you don't have to be enrolled to attend. Hope to see you there!

## Ranch Horse Clinic

Boulder County 4-H Horse Leader's Council offered a Ranch Clinic on March 10th taught by Liz Johnson of Windy Creek Ranch in Longmont. The clinic was well attended and all riders enjoyed learning about Ranch Pleasure riding as well as Ranch Trail. Riders worked with their horses maneuvering around and in-between obstacles one might find riding on the ranch. Some objects were very scary for the horse, but with the rider's patience and perseverance, most horses were able to calmly work through the obstacle. Lunch was provided and everyone had a great time learning together.

Megan French from Easy Riders 4-H club works with her horse, Champ going through the gate.

Jocelyn Fiegland of Blazing Saddles 4-H club drags a log behind her horse Penny. This is Jocelyn's first year in the horse program and her first clinic. Both Jocelyn and Penny did a great job.

Liz French from Easy Riders 4-H club teaches her horse, Gemini that a yellow slicker is not so scary.

Tessa King from Blazing Saddles 4-H club convinces her horse, Nugget, that these tires are ok to walk through

# What Can CSU and Boulder County Extension Do For You?

## Did you know CSU Extension has more to offer than 4-H? It's true!

**The Boulder County Colorado Master Gardener program** is part of CSU Extension. With approximately 150 volunteers, Master Gardeners are available to answer the public's questions about Home Horticulture issues.

What is Home Horticulture? Anything from houseplants to trees, vegetables, cultivated turf grasses, shrubs , flowers and the pests and issues that affect them. Our volunteers can help you find the right plant for the right place, or the best way to keep your garden healthy.

Bring a plant sample in to the office, or send pictures and descriptions of the issue to our Help Desk at mggpa@bouldercounty.org . You are also welcome to call and talk to one of our volunteers Monday Wednesday and Friday from 9-noon and 1-4 from March through October. During the off-season you may call 303-678-6388 to leave a voice mail and a volunteer will contact you.

When it comes to Turfgrass (the grass in the yard around your house) we also offer Lawn Checks during the growing season. For $75 we make a site visit to assess and make recommendations on the treatment and care of your lawn. Mysterious brown spots? Strange looking grasses or weeds? Let us take a look! You can be assured that we'll provide unbiased, no 'sales pitch' information.

Our Tree Team is also available for site visits on those sick trees that need to be examined in person. $25 per tree is the fee, but we suggest starting at our Help Desk with any tree questions.

If you are interested in becoming one of our Master Gardener volunteers, we offer two training sessions annually – an evening class in the autumn and a day class in the spring. Here's a little bit more about us:

http://boulder.extension.colostate.edu/horticulture/colorado-master-gardener/

Contact the Extension office during regular hours for more details., 303-678-6238

## Instant Pot®/Electric Programmable Pressure Cooker Users

A frequent question that I have been asked has been, "*Do you have any good recipes for an Instant Pot®?"* If you got an electric programmable pressure cooker (EPPC), perhaps you are in a quandary of what to do with it. I was when I recently got mine!

Instant Pot® is just one brand of EPPCs on the market but has become the 'staple' term when one is referring to an EPPC. The *New York Times'* article, **The Kitchen Gadget that Spanned a Religion** noted that this kitchen appliance has upended the home-cooking industry. As such, the resources for using an Instant Pot® or any other EPPC are everywhere. I will share a few sources that I have found useful as I learned to use my Ninja Foodi/EPPC.

Instant Pot® recently released a list of recommended and authorized cookbooks for their EPPC. The cookbooks on the list cover a wide variety of food preparations, preferences, and dietary needs so it appears that there is something for everyone. The recipes would also likely work with any other brand of EPPC.

Besides the books, there are **websites** that are great resources. Below are a few that I have found helpful and reliable.

Instant Pot – https://instantpot.com/

Amy and Jacky – https://www.pressurecookrecipes.com/

365 Days of Slow & Pressure Cooking – https://www.365daysofcrockpot.com/category/cooking-method/instant-pot/

Instant Pot Eats – http://instantpoteats.com/

Hip Cooking – https://www.hippressurecooking.com/pressure-cooker-recipes/

A Bountiful Kitchen – https://abountifulkitchen.com/category/instant-pot-2/

Ministry of Curry – https://ministryofcurry.com/instant-pot-recipes-2/

I have also found that there is a lot of help not only **from friends** but also from **Facebook groups.** If you are a Facebook user, there are some community groups that you can join that offer a never-ending feed of advice, recipes, and inspirations.

I hope you will enjoy learning to use your new gadget regardless of the brand; who knows, with enough experience you might even become a devotee who use their EPPCs for virtually every kitchen task imaginable: **sautéing, pressure-cooking, steaming, and even making yogurt and cheesecakes.**

While I enjoy my Ninja Foodi for some food preparations, I am in no way an expert. I have found it is great for many things, but others, not so much—kind of like the microwave revolution of the 1980s or bread machine craze of the 1990s. (continued on page 46)

(continued from page 45)

I have enjoyed the adventure and am continually learning a lot along the way by using **books, internet sites, friends, and Facebook groups as my guides**. I know that I have a lot to learn about using the electric pressure cookers, and I know that many of you are the Experts so let's compare notes.

I would like to offer some Electric Pressure Cooker classes at the CSU Extension Office so let me know if you are interested.

Do you have any gently used gardening tools you'd like to rehome? Boulder County Master Gardeners are staging a Tool Drive for the clients of the Community Food Share as part of the effort to help folks learn to grow their own food.

They're looking for trowels, shovels, hand rakes etc. as well as hoses and hose nozzles, watering cans, and new pairs of gloves.

A collection bin will be located in the Extension Office (also known as the 4H office) from March 15 to April 15 and accessible during regular business hours. Clean out the tool shed and help your Boulder County neighbors get their home gardens started!
