

Boulder County 4-H ~ Friday Update

April 10,
2020

In response to all COVID-19 adjustments, your 4-H staff is changing the way we bring updates and news to our Boulder County 4-H members and families. Weekly updates highlighting activities and project changes will be emailed on Friday afternoons. We hope you find these weekly updates helpful. Please check your email and visit the [website](#) often. We are updating information almost daily.

Also, as a reminder, the Extension Office is closed to the public and the staff is working remotely. Email is the best way to contact us.

Stay healthy; stay safe.
