

Boulder County 4-H ~ Friday Update

May 15,
2020

No 4-H F2F Programs Through June 1

We would like to update you that 4-H has extended the no face to face programming in Boulder County 4-H through June 1st. This follows in line with the County's extension of the closure of most Boulder County buildings to the public until at least June 1. As we receive updates from CSU Extension, Colorado 4-H and Boulder County we will share those with you. We have heard of some great programming and club meetings and project work happening virtually. Thank you to everyone for keeping up the great work and being creative in these times.

Then for fun, or bragging rights, we added an adult division for agents, leaders, parents, etc.
