

# Boulder County 4-H ~ Friday Update

May 22,  
2020

## **No 4-H F2F Programs Through July 1**

We would like to update you that 4-H has extended the no face to face programming in Boulder County 4-H through July 1st. This follows in line with the County's extension of the closure of most Boulder County buildings to the public until at least July 1. As we receive updates from CSU Extension, Colorado 4-H and Boulder County we will share those with you. Thank you to everyone for keeping up the great work and being creative in these times.
