Summary:

We will be utilizing the drive through process in Barn C.

Required:

- Male market animals must be castrated or banded
- Ewes and does must have scrapie tags
- Market goats must be dehorned or have horns “tipped” before exhibiting
- Premises ID must be provided
- Paperwork should be completed **PRIOR** to coming to the fairgrounds

Process:

1. Be prepared-
 - a. Fill out the tag-in form for sheep or market goats or both. It is also available at the 4-H Extension website
2. Tag Fees-
 - a. There is a **\$4.00 fee for each tag**. Audra will be collecting the fees and will be located mid aisle. (Exact cash appreciated)
3. Traffic Flow- see attached diagram
 - a. Enter from the SOUTH fairground entrance to the Pole Barn
 - b. Left at the Pole Barn and around the North side of Barn A
 - c. LEFT on Midway down to BARN C
 - d. There will be ONE WEST side entry point. Stop before entering to be sure your paperwork is complete.
 - If you forgot your paperwork at home, get new forms and complete prior to coming into the barns.
 - Once paperwork is completed, drive into barn.
4. Animals should be removed from the vehicle/trailer or brought to the trailer door for tagging & retinal scan to avoid contamination.
5. Goats required to have halter/lead rope. Sheep encouraged.
6. **Exit EAST**- Upon completion of tag-in, drive outside of the barn to park, **turn in tag-in forms, and pay.**
