## 4-H GENERAL & HOME ECONOMICS 2021 PROJECT RULES & REGULATIONS

### Requirements for 4-H General and Home Economics Exhibits

1. All exhibitors must be enrolled with the Extension Office in the 4-H project in which they are exhibiting by the last Friday in April.
2. Entry deadline is July 15, 2021. No late entries. Postmark will determine entry date.
3. 4-H Home Economics & General Projects will have interview judging Tuesday, August 3 at 9:00 AM until 5:00 p.m. at the Exhibit Building (unless otherwise noted). Project Drop off and pickup times will be communicated closer to event.
4. Boulder County will follow state directives and not require interviews. All 4-H members, however, are still highly encouraged to participate in interview judging, as the experience is very beneficial to the member. Interviewing with a judge is one of the educational components of the 4-H program and helps teach many life skills to the participating member. There will not be a make-up day for interviews.
5. Projects are divided into Junior, Intermediate, and Senior age groups. The ages, as of January 1 of the current year, are defined as following:
  - Junior: 8 – 10 years of age
  - Intermediate: 11 – 13 years of age
  - Senior: 14 and over years of age
6. If a member enrolls in two units of the same project (Leathercraft for example: member enrolls in Unit 2 and Unit 3 – they must exhibit in the higher level – Unit 3). When a member takes two units at the same time, they should master the skills of the lower unit and therefore exhibit in the higher unit.
7. Exhibits should be clean and in good condition.
8. Records: e-Records or county record books are required in all projects for the exhibit to be considered complete. Records may be in pencil, ink, typewritten or by computer; the choice will not affect judging. Each record must have a story for that project which will be considered in judging. Records must be completed by the 4-H member, not a parent or adult. Lack of records will result in an automatic white ribbon.
9. Awards & Premiums: The Danish system of judging will be used in the Home Economics and General exhibit departments (except Cloverbuds). All exhibits will be placed in a Blue, Red, or White group and receive ribbons accordingly.

Blue: exhibit meets project requirements and is of high quality.

Red: exhibit meets project requirements but is of average quality.

White: exhibit does not meet all project requirements and/or is below average quality.

Prize money will be given as follows for all Home Economics and General Projects.

Blue     RedWhite

\$4.00   \$3.00   \$2.00

10. Champion and Reserve Champion: Champion and Reserve Champion shall be awarded from eligible blue ribbon projects. If there is only one blue ribbon in the class, only a Champion will be designated. Grand Champion and Reserve Grand Champion awards will be chosen from all Champion and Reserve Champion projects in a given department.
11. Exhibitors that exceed project, skill, number, or size requirements will not be considered for Champion or Reserve Champion but may be eligible for a blue ribbon.
12. All recipients of Grand and Reserve Grand Champion plaques will be expected to turn in a “Thank You” note, stamped and addressed to the donor, for each plaque won.
13. County projects (designated by \*\*) are not eligible for State Fair competition.
14. A Cloverbud may exhibit ONE ITEM in the Cloverbud project. Cloverbuds will be given the opportunity to interview with the superintendent about his/her project. Cloverbuds will be recognized for their participation; however, exhibit items will not be awarded placement ribbons. Cloverbuds are 4-H members 5–7 years old as of January 1 of the current year.

15. Exhibits will be released Wednesday, August 4th. Members may pick up their exhibits at this time. Leaders are encouraged to check to see that their club's projects have been picked up. Items not claimed by the Friday following Labor Day, will be discarded. NO EXCEPTIONS.
16. Show boards are the only type of display boards that can be used for 4-H projects. The standardized display board size of 4 ft. wide (total) x 3 ft tall is to be used for 4-H projects. (See example below.) Display boards are made of lightweight cardboard and are sturdy, attractive, inexpensive and available at most local office supply stores. They come in several colors. When opened, the 1-foot-wide winged sides provide a surface to help the exhibits stand alone on a tabletop.

**Exhibit Board Tips:**

- Boards must be easily read from a distance of three to five feet. Use large, bold letters (at least 3" high) for exhibit title or caption.
- Design the exhibit, keeping in mind the size and shape of the open show board (three surfaces including the wings).
- When mounting items on the display board, avoid things that are bulky or heavy that could cause the display board to collapse. Mount items securely so they won't fall off. Tape will not work.
- You have three minutes only for the message to be read; be concise.
- Tell your story with visuals.
- Avoid putting too much in the exhibit. It should never have a crowded look.
- Dark lettering on a light background is most visible.
- Do not use headers or attachments on your display board. Board should lay flat when closed

**Note: For more information on displays and projects:**

<http://co4h.colostate.edu/statefair/StateFairExhibitReq.pdf> - look under [Colorado 4-H State Fair Information](#).

Important Binder/Notebook Information: Use binder/notebook as appropriate for project exhibits. No binders with slider closures will be allowed. If you have only your e-Record in the binder, please use a report cover with brads to keep the pages in place. Three- ring binders are acceptable for projects where a number of pages have been collected. Please choose the smallest binder possible for the number of pages you are including.

# Display Board Guidelines for State Fair 4-H Exhibits

Display boards are a great way to share information, but when viewers walk by, they spend only 60-90 seconds looking at each display board. Make yours stand out by highlighting the main points of your project in a fun, interesting way.

*Follow these guidelines to create a display board for the state fair.*

4'

**SHAPE**  
Design your exhibit so information fits on the display. Remember, you have 1 large surface, and 2 smaller side wings.

**Plants of Colorado**

**TEXT**  
Make sure that all the text on your display is easy to read. Use a large font for the title, and smaller fonts for the headings and body text. Text must be readable from 3-5 feet away. Use large bold letters. Dark letters on a light background works best.

**SPACE**  
Your display should only discuss one main topic. This will help it look neat and uncrowded.

**ATTACHMENTS**  
Make sure pictures and objects are securely attached to the board. Use glue for pictures and paper, and consider wires, zip ties or staples to attach bulkier items. Do not attach items that are so heavy that your board can't stand or fold.

**SIZE**

Display boards for the state fair must measure 4 ft. wide x 3 ft. tall. They should be made of lightweight cardboard, but not poster board. Pre-cut boards are available at most craft and shopping centers. No part of your display may extend beyond these boundaries.

## DISPLAY BOOKS

Your e-Record book should accompany your board. You may use 3-ring binders or other notebooks that will keep the pages securely inside. You may not use slider-type binders.

Please place a label with the following information in the upper right-hand corner of the front cover:  
County, Name, Project Area, and Class  
(See example)

The item must be stable when standing to be displayed. If an exhibit is larger than this, a notebook can be used as an exhibit showing how and what was made.

10. For those members who are exhibiting both a display board and a stand-alone, they may copy their e-Record. Each exhibit must have an e-Record. Be sure to highlight what you are exhibiting in your e-Record.

11. No stand-alone items that are an exhibit at the time of the contests will be allowed to be removed from the building to be used at the contests.

12. A new class has been added. This is a decorative item class. Items to be exhibited in this class are items that are used to decorate a room, building, etc. Be sure to look at the classes to determine where your exhibit item fits.

### Matting Photos Guidelines

Matting adds dimension to compliment and accent the photo. Matting will help focus attention on the photos and add visual interest along with balance to a layout.

Matting a photo means to put a border around it. Choose a color that brings out another color in the photo but is different than the background color. Light matte colors will help lighten a dark photo and a dark mat color will make the colors look deeper and richer.

For county and state fair display, please select a photo that is 5" x 7" in size that is one of the photo techniques you are using within your unit (read specific requirements for each unit). The maximum size for the matted photo will be 8" x 10".

These photos will be hung for display. Please attach string or some type of hanging mechanism for the photo to hang. Please do not put the photo in a frame.

Please attach to the back of your photo the following information:

- Member name
- Member County
- Subject
- Date photo Taken
- Notes

## WOODWORKING

Please read 4-H Project Exhibit Rules on page 2.

Units 1, 2, and 3 in Woodworking have very specific restrictions on the tools used in building an article to display. This is done for reasons of safety and to provide a fair comparison among projects in a unit. An exhibit that shows evidence of not following these restrictions will not be ranked in the top-ten placing.

Note: In making all placings, judges will consider straightness, accuracy and smoothness of saw cuts; the difficulty and preciseness of joints; the skill employed in the use of nails, screws, gluing and other hardware; freedom from tool or sandpaper marks; appropriate finish evenly applied; article attractiveness, proportions, and use of proper wood for the intended use; ability to follow instructions; quality of workmanship; and completeness of e-Record. Always use proper safety gear.

For large exhibits, like beds, please bring only the head and foot boards. No rails.

**Please notify the State 4-H Office if exhibit is oversized.**
