

Boulder County 4-H Dog Project
Policy on Borrowed Dogs
Adopted May 10, 2018

The Boulder County 4-H Dog Project requires participants to own their Project Dog and to provide the majority of care for that animal in order to participate in the 4-H Dog Project and to compete at County or State Fair. If a Project Dog is not able to complete the 4-H Dog Project, the 4-H member may borrow a dog to complete the Project subject to the following requirements:

- The original Project Dog must no longer be available to the 4-H member due to extenuating circumstances (severe aggression, illness, injury, death, re-location, etc).
- The 4-H member must obtain permission from the Dog Superintendent and the County Extension Agent to complete the Project with a borrowed dog.
- The 4-H member must also obtain written permission from the owner to borrow the dog.
- If possible, the 4-H member should assist with caring for the borrowed dog.
- The borrowed dog must comply with all vaccination and any other County requirements.
- The 4-H member may participate in all County training classes with the borrowed dog.
- The 4-H member may show the borrowed dog as “Exhibition Only” at 4-H Fun Matches or County Fair, but cannot compete for any titles or prizes.
