

To: Boulder County Shooting Sports Members and Leaders

From: Boulder County 4-H Shooting Sports Council

To determine who qualifies for the State Fair competition we will be having county shoot-offs at the following times and locations. **There will be a REQUIRED pre-registration for all disciplines by July 1, 2022 except for Trap and Skeet/5 Stand. Shotgun pre-registrations will be due July 8, 2022. Registering your project and record book into Fair Entry DOES NOT mean you are pre-registered for the county shoots.** Please make sure you do both. Links to pre-registration forms are included in each discipline's information blocks below. **Late registrations will NOT be accepted** Details on each county shoot are below.

We encourage all 4-H members that are enrolled in the Shooting Sports Program to come and enjoy the Boulder County competitions. Participating in the Boulder County Shoot-Offs does not count towards completion of your shooting project. If you are uncomfortable (for any reason) with participating in the in-person county shoot-offs, we encourage you to still complete your project (poster board or standalone) and record book and enter them into the Boulder County Fair at Interview Judging Day, August 4, 2022. Registration links for Interview Judging Day will be sent out later.

The 2022 Colorado State 4-H Shooting Sports Championships will be in person this year. If you do qualify for a state team and you do not want to participate in the Colorado State Fair Shooting Sports contest you must tell the superintendent at the time of qualifying.

All shooters have been charged a yearly one-time fee of \$20.00. This \$20.00 covers the cost of all shooting events, except shotgun range fees. Shooting Sports fees **MUST** be paid prior to County Shoot Offs. If fees are not paid prior to the shoot offs the 4-H member will not be allowed to participate in the County Shoots. Please see attached Boulder County Shooting Sports Addendum item #15. All participants will receive a t-shirt (if fees were paid prior to t-shirt order being placed). Due to an increase in Colorado State Shooting Contest fees there will be an additional one-time fee of \$20.00 for those 4-H members attending the Colorado State Shooting Contest. The \$20.00 fee must be paid at the county shoot off by those 4-H members accepting a position on a state team. Please see the attached Boulder County Shooting Sports Addendum Items 15 & 16 for further information on all Shooting Sports fees.

To participate at the Boulder County Shoot-offs you **MUST** have practiced at least five (5) **SAFE** times in each discipline that you shoot, with a certified Boulder County shooting sports leader by check in of each County Shoot Off. A practice card showing all five safe practices, plus a safety training, verified by signatures from a Boulder County Certified Shooting Sports leader, **MUST** be presented at each county shoot off. Please see attached Boulder County Shooting Sports Addendum item #6.

Completion of a Hunter Safety Class is required to participate in a Boulder County Shoot-off. You **MUST** bring your Hunter Safety Card with you to **EACH** shoot-off for inspection upon request. **All Hunter Safety Cards must be upload to your 4honline accounts.** Currently, you are not able to upload your cards.

Please email a PDF of your card to Lisa Wallace [lwallace@bouldercounty.org](mailto:lwallace@bouldercounty.org) to be uploaded. All Boulder County shoot-offs will be Conducted using the Colorado State Fair Contest rules found at <http://co4h.colostate.edu/ss/forms/ss-rulebook.pdf>

In order to be eligible to represent Boulder County as a member of a State Fair Team, a member **MUST** submit for review, a record book and display project at or prior to Interview Judging day. If a member is enrolled in more than one shooting sports discipline, only one record book and project are required. Interview Judging day is August 4, 2022. More information on Interview Judging Day will be coming. Please see attached Boulder County Shooting Sports Addendum item #4.

## **Archery**

Wednesday, July 13, 2022 @ BCF Indoor arena & warm up arena outside  
12:00 (Noon) - 12:45 shooter check in
