Briefly describe your situation:

We can offer scholarships because of membership (adult and youth) participation in county-wide fundraisers. In return for receiving a scholarship, we would appreciate a commitment to participating in these activities during the upcoming 4-H year. Please identify the activities in which you will participate (please select all that apply):

_____ Boulder County 4-H Dairy Bar concession stand during the Boulder County fair (club organized)

_____ Boulder County 4-H Carnival booth or silent auction (club organized)

_____ Boulder County 4-H Youth Council meetings, activities, and events (county organized)

It is important that you complete your 4-H projects. Non-completion may prevent eligibility for future scholarships.
