

Boulder County 4-H Horse Project and Show Rules

(Revised 10/3/2022, Approved 11/7/2022)

1. The Boulder County 4-H Horse Program follows the most recent update of the Colorado 4-H Horse Show Rule Book (LA 1500J) with the following additions.
2. To participate in the Boulder County Fair, members must be enrolled by the last Friday in April. Members are eligible to show at the Boulder County Fair only those horses identified for the member on 4-H Online on or before the last Friday in April.
 - a) The only exception is in the case of a death of all identified project horses after the last Friday in April. Substitution will be considered upon presentation of a certificate of death no later than four (4) days before check in of the Boulder County Fair Horse Show. Death certificates must be presented to the county 4-H Extension Agent overseeing the horse program by the above deadline.
 - b) Replacement 4-H horses must be selected from currently or previously identified horses in the Boulder County 4-H Horse Program by another current or previous 4-H member. The member requesting the replacement must provide acceptable documentation showing that the horse has been identified.

 - d) Classes may be limited due to scheduling conflicts among members utilizing the same horse.
 - e) Following the rules above, a replacement horse may also be proposed for other 4-H horse shows held after the Animal ID deadline. This also requires notification at least 4 days before the show. The same replacement horse shall be used in all subsequent shows of that season.
3. These are in addition to the rules outlined on page 3 of the Colorado 4-H Horse Show Rule Book 2021 edition under General Rules and Requirements. A horse may only be IDed/shared as a project horse by no more than two unrelated 4-H members, except in a horse-death hardship case where an additional member may be added to show the horse in a different discipline from that of the existing member. (One shows Western, the other shows English, and both may exhibit the horse in showmanship). Immediate family members may share and ID the same project horse between any number of siblings (each sibling must turn in an ID on the horse). Since the horse is being shared within the immediate family, the same horse may also be IDed/shared by one non-family member. It is expected that 4-H members include all IDed horses in their E-record Book. For all non-owned horses it is recommended a lease agreement be in place to establish responsibilities for care.
4. Completion of the 4-H Horse Project requires the following: participating in a horse judging activity, giving a demonstration, participating in the community service project, exhibiting a project horse, attending required 4-H club meetings, actively participating in the club program and completing a horse record book.
5. If a member passed a horsemanship or showmanship rating test, he or she **must** attempt the written test. Failure to take the written test means the members is ineligible to show at Boulder County Fair until the test has been taken.
