### BOULDER COUNTY 4-H CLUB OR GROUP BUDGET

A budget for each club or group is required for chartering if the club or group accepts or disburses any money. The budget can be as simple or complex as needed in order for club or group members to clearly understand how club or group funds are received and spent. All budgets should be approved annually by the club or group membership and a copy needs to be provided to the county Extension office. **This should be for the upcoming year.**
