At this time, Boulder County is only offering Jumpers Agility classes without weave poles. Courses will consist of bar jumps (winged or not), tunnels, broad jumps and/or tire jumps. Dogs must be a minimum of 12 months old to compete in the Pre-Foundation and Foundation Jumpers classes. Dogs must be a minimum of 15 months old to compete in all other Jumpers agility classes. The Pre-Foundation class is performed on-leash and may have fewer obstacles. All other Agility classes are performed off-leash.

Drop-in Obedience and Rally are also offered during the same time period as Agility in the Indoor Arena. This is not a formal training class but is a great opportunity to familiarize your pup with performing obedience and rally skills on the dirt arena floor, to practice with jumps and dumbbells, and to get some additional training and help from our trainers. Drop-in training is open to any project member in their 2<sup>nd</sup> or higher year of dog training.
