

Flag Race

249. Option 2 – Three barrel course.

- A. A rider crosses the starting line, picks up a flag at the first barrel, makes the turn outside the end barrel, deposits flag in container on third barrel and rides across the finish line.
- B. Another version: Rider crosses the starting line with a flag in hand, deposits it in bucket on first barrel, circles end barrel, picks up a flag from the container on third barrel and crosses the finish line with a flag.
- C. Both versions can be run to the right or left.
