

Dairy Cattle 2026 Schedules

County Wide Dairy Classroom Workshops

We plan to start early in the year by just learning about the dairy cattle project. Our first date we'll go over items YOU want to accomplish in the project & who needs a project animal. You don't need to be enrolled in the project to attend but you want to know more the dairy project. We will do some judging & learn what to look for in an animal especially if you are looking for an animal. What are some common diseases & symptoms, dairy parlors, genetics, nutrition/rations needs etc. For everyone, we'll make it fun & entertaining while learning the pluses of the dairy industry. **NEW !! we have included a different piece to the dairy project "Cowless Cows" where you can partner up with the lease dairy members & be able to exhibit while learning about the dairy cattle project.**

The classroom workshops will begin soon. Come check out the Dairy project including the Dairy Market Program & the Replacement Heifer Program which can sell at the Livestock Sale at the Boulder County Fair.

Jan 16, 2026 - Intros & who has or needs animals 6:30 PM @ Pohlmann's

Feb 20th 6:30 @ Pohlmann's

March 20th 6:30 @ Pohlmann's

County Wide Dairy Workshops with animals

Workshops will teach you and your animal how to work in group settings. It's also great practice in loading & hauling as well as exposing your animal to new places. Some additional dates may also be added later for show prep, or record book help

April 17 (plan on a classroom if poor weather), Friday 6:30 @ Pohlmann's

May 15, Friday, 6:00 @ Boulder County Fairgrounds barn C

July 24, Friday 6:00 PM @ Boulder County Fairgrounds barn C
